The meeting was called to discuss the following:

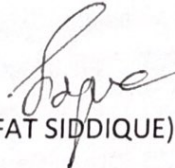

1. The new scheme and syllabi of courses namely Solid Mechanics, Fluid Mechanics, Civil Engineering Materials, Advanced Structural Materials, Pre-stressed Concrete and Introduction to Engineering for the B.E. Civil Engineering program.

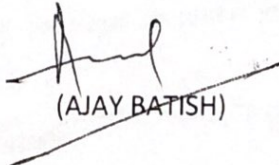

The recommendations/observations of the Board of Studies are as under:

1. The changes in the syllabi, as suggested, were noted and incorporated in the new scheme and syllabus of courses.
2. The members were of the opinion that the subject Introduction to Engineering (First Year) be made non credit and one lecture per week may be allotted in the time table for the same in which one faculty member from each specialisation will deliver lectures of his domain.

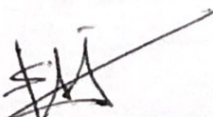

The Board approved the proposal, along with the proposed scheme and syllabi of the courses, in principle.
