

**Subject: Lecture 1 @ Bi-weekly Lecture Series on “Automotive Technologies” in MED on 27<sup>th</sup> September 2021 from 3:00 P.M.-5:00 P.M.**

Dear all,

The Department of Mechanical Engineering at Thapar Institute of Engineering and Technology, Patiala has initiated a lecture series (through online mode) in which experts from renowned industries would be invited to deliver lectures on advanced topics of Automotive Technologies. The target audience would be undergraduate and postgraduate students. This series would enable the students to get acquainted with the latest technological developments.

The keynote speakers (for 1<sup>st</sup> lecture) for this bi-weekly series are **Mr. Gurpreet Singh** and **Mr. Rajesh Kumar Sharma**, from Toyota Kirloskar Motor *Pvt. Ltd*, India. They will deliver expert lecture on the topic “**Toyota Hybrid System**” on 27<sup>th</sup> September 2021 from 3:00 P.M.-5:00 P.M.

With regards to this we would kindly invite all the students of UG-II, III, IV (Mechanical and Mechatronics) and PG-I (CAD/CAM, Thermal and Production Engineering) to attend the webinar. Here, I am sharing the link for the registration in order to attend the webinar.

**NOTE:**

- The classes will be off on the above mentioned date and time for UG-II, III, IV (Mechanical and Mechatronics) and PG-I (CAD/CAM, Thermal and Production Engineering)
- The registration process must be completed by the students till 26<sup>th</sup> September 2021. The students must register with Thapar Email id. Then, the meeting link will be sent to registered email ID on 27<sup>th</sup> September 2021.

Thanking You

With Regards:

Yours sincerely,

Academia-Academia Interaction Committee
